

## MSPCA Adoption Center Transformed with Stonhard Floor and Wall Solutions

**Products Used:** Stontec® UTF • Stonglaze® VSD  
Stonproof® CT5

**Application Area:** Surgical Suites, Viewing Rooms, Animal Holding Areas, Washdown Rooms

### PROBLEM

When the MSPCA Noble Family Animal Care and Adoption Center in Methuen, Massachusetts embarked on an expansion project to create an 18,500 sq. ft. animal hospital and shelter that would feature surgical suite, a kennel, and adoption facilities, they knew they would require durable, easy-to-clean floors sloped to maximize drainage. Project planners sought high-gloss, low-maintenance, seamless floors and walls for the animal holding areas, adoption viewing areas, and washdown rooms.

### SOLUTION

Stonhard presented Stontec UTF, a urethane flooring system to meet their needs and provide additional benefits such as excellent chemical, stain and wear resistance. The rapid-curing Stontec system offers decorative design utilizing a flake system that produces a sharp aesthetic. The project involved surfaces featuring numerous corners, angles, and platforms, necessitating the installation of both eight-inch and three-foot cove bases.

The facility's wash-down areas required added protection. The flooring installation included Stonproof CT5, an epoxy membrane sealant, while Stonglaze VSD, an epoxy system reinforced with engineering fabric, was applied to the walls. Enhanced mechanical strength coupled with

an easy-to-clean, seamless design exceeded the expectations of the customer, not to mention the rapid-cure, low-odor products minimized disruption and downtime.

### DESIGN ELEMENTS

Stontec UTF: Brightly colored flakes  
Stonglaze VSD: Smooth glaze finish

### OUR CERTIFICATIONS & MEMBERSHIPS

Stonhard is a member of the U.S. Green Building Council, is on the Manufacturer Advisory Panel for the HPD Collaborative, and its products are listed with mindful MATERIALS (mM). Stonhard carries and ISO 9001 quality system certification

### THE STONHARD DIFFERENCE

Stonhard is the unprecedented world leader in manufacturing and installing high-performance seamless, resinous floor, wall, and lining systems. With more than a century of experience, Stonhard provides its customers with a single-source warranty covering both products and installation.
