

STONHARD STONRES RTZ

Tradition, partnered with innovation, in a floor that has been proclaimed to be its own genre. Stonres is a seamless, resilient floor that combines distinctive design elements with performance and function, using intricate patterns in a smooth, stain-resistant, ergonomic and noise-reducing system. Stonres RTZ is frequently specified for Operating Rooms due to its durability, stain-resistance and easy-to-clean properties. It also meets the challenges of many commercial markets, such as education, stadiums and retail spaces. Custom colors, free-form designs and logos are available.

Color matching available with additional lead time, minimum order requirements and a slight premium.
Color reproductions are as accurate as modern photography and quality printing methods can produce.
